

# FEBRUARY PRAYER FOCUS

**Life Groups Launching** - *As we launch Life Groups, pray for the following:*

1. Pray that God would knit our hearts together, fostering genuine community, vulnerability, and trust.
2. Pray that the members of these new groups would be a source of support and encouragement for one another, and that they would be deepened in their individual walks with Christ as a result.
3. Pray that each group would live with missional purpose and yield a mighty spiritual harvest.

**Alpha Spring Semester Kick off** – *As Alpha begins on 2/25, pray for the following:*

1. Pray for open hearts and minds, that each person will encounter your love and truth in a powerful way.
2. Pray conversations be a safe space for honest questions and authentic sharing.
3. Pray for the leaders and helpers, that they may serve with wisdom and grace.
4. Pray God will reveal himself to each participant.

**ESOL** – *As ESOL continues to operate this school year, pray the following:*

1. Pray for courage for our students, that they would have the strength to learn English, and trust the church, as we serve them.
2. Pray for unity among all people, regardless of their background, language, or circumstances.
3. Pray that we never lose hope and never stop working toward a better future where everyone feels welcome and valued.

*Pray for Cedarbrook to be an accelerator for the kingdom of God here in the DMV and beyond.*

*Pray our hearts and minds would become postured to have discipline, understanding, boldness, and receptivity to God's presence and his word as we pray.*

*Pray that Cedarbrook becomes a true house of prayer, a place where God's presence is felt, and where prayer is central to all we do, just as scripture describes.*

*Pray that "First Monday" will truly meet the needs of those seeking God. Pray people waiting on miracles, seeking clarity or healing, and desiring a deeper relationship with God can encounter Him.*

*Pray for marriages*

1. Pray for couples facing difficulties that threaten to tear them apart.
2. Pray for those considering divorce, that they may find clarity and trust God.
3. Pray for healing, for reconciliation, for renewed love and commitment.
